

The secret to rapid success in any endeavor (especially recovery) is to establish & maintain Paul, Barnabas & Timothy relationships

- **Paul is the Mentor** – the one who has experience and can pass along wisdom & guidance
- **Barnabas is the Brother** – the one who knows & supports what you're doing and asks the hard questions
- **Timothy is the Mentee** – the one to whom you pass along your experience, wisdom & guidance

These relationships are necessary to develop a transferrable cycle of Humility, Integrity & Service by establishing Transparency & Accountability

The Result = Men Leading Men to Lead other Men
